Dear Sir:

I'm sorry to hear that the Money Museum has closed. I enjoyed visiting it. I thought it was very educational. Thanks for offering to help me identify my coin. I realize that it is of little or no value, but I'd like to identify it and give it to the local museum. My mother found the coin in the garden about 40 years ago.

I've included some photocopies which aren't that great, so I've also included some tracings. I hope the detail will be adequate for your needs.

Thanks,

A handwritten signature in cursive script, reading "Rich Lambert". The ink is dark and the signature is fluid, with a large, stylized "L" and "R".
